Create an account in IBM Cloud:

The screenshot shows the IBM Cloud dashboard interface. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (JILA RASNAT B's Acco...). The main content area is titled "Dashboard" and features a "For you" section with five recommended resources:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Recommended, 1 hr)
- Build a data lake**: Create a data lake using Object Storage and query it in its native format with SQL Query and Watson Studio. (Getting started, 2 min)
- Explore IBM Cloud Shell**: Try a command-driven approach for creating, developing, and deploying a web project. (Recommended, 10 min)
- Unlock the entire catalog**: Upgrade your account to start using everything IBM Cloud has to offer. (Getting started, 10 min)
- Set up your IBM Cloud account**: Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. (Recommended, 10 min)

At the bottom of the dashboard, there are links for "User access", "Manage users", "News", "View all", "Planned maintenance", and "View".
